Both in the draft and in the free-agent market, NFL teams place premium value on pass-rushers and interior defensive linemen. Other positions, most notably safeties, are relegated to secondary priorities. So in that sense, it's both remarkable and telling that Pittsburgh Steelers safety Troy Polamalu was the unanimous top choice of our committee. "Troy has a skill set that I've never seen from the safety position, make your own football jersey," said AFC North blogger James Walker, who has covered Polamalu for years. "He has the hands, hockey jersey design, coverage skills and acceleration of a corner, jerseys cheap, nike new nfl jerseys, nhl custom jerseys, but the instincts and timing on the blitz and against the run like a linebacker. Air jordan 7 for sale ck LeBeau also deserves credit for building his defense around Troy, because that's really hard to do for a safety." To what extent do NFL teams typically value safeties? Consider that in last month's draft, the first safety wasn't selected until midway through the second round (UCLA's Rahim Moore, design your own football jersey, by the Denver Broncos, nfl jersey me, at No. 45 overall). And in determining franchise tag numbers for a potential 2011 market before the lockout, hockey jersey template, the league was set to assign safeties the third-lowest figure among all positions, virginia tech football jersey, nfl wholesale jersey, kids nhl jerseys, ahead of only tight ends and kickers. nfl jeresys custom (43) was the unanimous choice among our bloggers as the NFL's top defensive player. During the unprecedented offseason of 2011, ESPN.com has ranked the top pass-rushers in the NFL.

We've ordered linebackers, nike nfl concept jerseys, 2012 nike nfl jerseys, rated cornerbacks and chosen the league's top 10 safeties as well. Now it's time to start putting it all together. This week's challenge: Meld those four ballots into a single list of the NFL's 10 best defensive players. The subtle shift in parameters required us to consider not only a player's individual impact, nhl all star jerseys, but the overall importance of his position to the game. Ranking the Defensive Players In this debate, nike nfl equipment gloves, right and wrong mattered less than philosophy. Graziano, for example, football jersey design, rated New York Jets cornerback Darrelle Revis No. 2 overall and also included Oakland Raiders cornerback Nnamdi Asomugha at No. 8. On the other side of the spectrum, nhl jersey wholesale, I joined NFC West blogger Mike Sando in choosing only one cornerback (Revis) and one safety (Polamalu). Sando, new nike nfl jerseys 2012, in fact, customize your own nfl jersey, ranked Revis No. 9. Neither one of us has any argument with the skills of Asomugha or Reed. But on a ranking of overall defensive players, college hockey jersey, custom nhl jersey, we found it difficult to include more than two defensive

"I moved down Revis and cornerbacks in general, nhl dog jersey, design a football jersey, authentic nhl jersey," Sando said, "for the same reason Patrick Peterson went fifth in the draft despite being arguably the best player available. It's just tougher for a cornerback to affect offenses the way a great front-seven player affects them. Quarterbacks can throw away from them." Along those lines, reebok hockey jersey, Sando gave the highest vote for the player who topped our linebacker rankings, hockey jersey custom, Patrick Willis of the San Francisco 49ers, placing him at No. 2. Willis finished No. 4 with votes ranking anywhere from No. 2 to No. 8 "Willis has no weaknesses and there is no avoiding him on the field, penn state football jersey, womens packers jersey," Sando said. Most of us considered Ware the top pass-rusher a few months ago, but a few believe Matthews is the better all-around player from the 3-4 outside linebacker position. "Clay Matthews makes as many game-changing plays as any defender in the league," said NFC South blogger Pat Yasinskas, practice hockey jersey, who joined the AFC South's Paul Kuharsky and myself on the Matthews bandwagon. "That makes him one of the league's best defenders in my eyes. And it doesn't hurt that his team has the Lombardi trophy at the moment." Said Kuharsky: "Matthews is so dynamic and energetic it made it very difficult for me not to constantly circle back to him as I consider the highest-impact defenders in the league. That Seifert and Yasinskas also rate him second just goes to prove that what everyone says about those two is dead wrong." A backhanded compliment from Paul Kuharsky? [+] Enlarge Jerry Lai/US Presswire The Steelers are waiting to hear from the NFL about a punishment for Ben Roethlisberger.
